Christ protects His Church Hebrews 4:12-13. 2 Thessalonians 2:8 Acts 20:29-30

Sometimes like Peter we want to pick up our sword and strike the enemy out of a place of pride and self righteousness. From a heart of love and humbleness do we wield God's word. Ultimately, Jesus has protected the church with His sacrifice on the cross. Now, His word is what we rely on to pierce the hearts of those that don't believe.

- How has God's word pierced your heart?
- How do we use God's word as a sword?

Christ reflects His glory through the church Matthew 13:43 2 Corinthians 4:6
Ephesians 3:21

- How do you give glory to God?

Where is your hope founded?

Have you renounced all that you have once loved to follow Christ?

Are you representing Christ to the world today?

How?
